

## PILOTS FOR KIDS

Pilots from Southwest Airlines and SkyWest Airlines made a surprise visit to a some very special children at St Luke's Children's Hospital in BOI on November 27. DEN FO Alex Macdonald, DEN CA Matt Affenita, and LAS FO Curt Huttball, as well as three Pilots from SkyWest (BOI FO Luc LeVasseur, BOI FO Zeb Baney, and BOI CA PM Schneidau), spent the day talking with and delivering donated Southwest bears and other needed items to the children for the holidays through the organization Pilots for Kids. It was a very special day for all involved. For more information about Pilots for Kids, visit [www.pilotsforkids.org](http://www.pilotsforkids.org)
